ABOUT LEARN & GROW TOYS

Learn and Grow Toys, based in Coffs Harbour, Australia is a family-run manufacturing & distribution company dedicated to creating open-ended toys that evolve with a child, under the ethos of 'Play. Learn. Grow.'

Established in 2020, Brianna, Joshua and Allan, their father, all bring something different to the team at Learn & Grow Toys as a qualified teacher, electrical engineer and project engineer, respectively.

Our meticulously crafted toys foster a love for learning and spark creativity in children worldwide.

Learn & Grow Toys is committed to continually expanding their product line of innovative toys.

WHY CHOOSE LEARN & GROW TOYS?

Designed in Australia & manufactured in China all our tiles are made from strong food grade ABS plastic, riveted and plastic welded with an internal logo to create a flat and more scratch resistant tile.

All our products meet all CE testing standards and are suitable for ages 3+.

Non Toxic Toys

All our tiles are made from ABS Food Grade Plastic and meet all CE testing standards.

Stronger Magnets

Our tiles, especially the large square, hexagon, and diamond, have extra magnets for stable tall buildings and structures.

Solid Construction

Our tiles are ultrasonically welded and riveted for durability and safety, preventing magnet escape. Safety is our priority.

Innovative STEAM Toys

Where Inspiration meets Ingenuity!
Our tile toppers were Toy Award Finalists in 2024.

CAR PACKS

We have 2 Car Packs available to order that are add ons to our Base packs.

Our car bases feature cutting-edge engineering, making them the most advanced on the market.

Each base has magnets at the edges and centre, enabling more building options.

The wheels are made of rubber to be more realistic and durable.

The Hood piece in the Car Expansion Pack features 4 incredibly strong fixing magnets. This is the first time these magnets have ever been used in a magnetic tile.

The L shape is a newly designed piece that has 6 magnets strategically placed to work seamlessly with our Hood piece.
